General Lease Provisions

1. PARTIES. This Lease Contract ("Lease") is between *you*, the resident:

and *us*, the owner:

Core SVA Tempe 7th Myrtle LLC

(name of apartment community or title holder).

2. APARTMENT. You are renting:

Apartment No. _____,

Bedroom No. _____, or

Floor Plan _____

at **704 South Myrtle Ave**

(street address) in **Tempe**

(city), Arizona, **85281** (zip code) for use as a private residence only.

When this Lease Contract is signed, all fees are paid and any guarantor paperwork is received, we will set aside a bedroom from our inventory for you. We will notify you of your bedroom assignment prior to move-in if not noted above.

2.1. Use and Occupancy. Your access may include exclusive areas, shared common space in the apartment, and common areas in the property.

We may assign another person to share a bedroom with you. If the apartment has a separate bathroom for each bedroom, you and any other person assigned to your bedroom will have exclusive use of that bathroom. We do not make any representations about the identity, background or suitability of any other resident, and we are under no obligation to perform any resident screening of any kind, including credit, prior resident history or criminal background. Any disputes that arise are your responsibility to resolve directly in a reasonable manner that complies with this Lease. Disputes are not grounds to terminate this Lease. You have a non-exclusive right to use other areas in the apartment, including the kitchen, living area, patios/balconies and other shared spaces. Both you and other residents have equal rights to use the space and amenities in the apartment's common area. It is a violation of this Lease to use any spaces not assigned to you, and we have the right to assign a roommate to any vacancy at any time with or without notice.

2.2. Access Devices. In accordance with our policies, you'll receive access devices for your apartment and mailbox, and other access devices including:

One key to the main entry door, one key to the bedroom (if applicable), and one key to the mailbox.

3. TERM. The term of the Lease Contract begins on the _____ day of _____, _____ (year), and ends at noon the _____ day of _____, _____ (year). **This Lease does not automatically renew.**

3.1. Holdover. You or any occupant, invitee, or guest must not hold over beyond the date contained in your move-out notice or our notice to vacate (or beyond a different move-out date agreed to by the parties in writing). If a holdover occurs, then (A) we may immediately file suit for possession; (B) you will be liable for two (2) month's rent or twice our actual damages, whichever is greater; **and** (C) at our option, we may extend the lease term—for up to one (1) month from the date of notice of lease extension—by delivering written notice to you or your apartment while you continue to holdover.

4. RENT AND CHARGES. Your rent for the term is \$ _____. Under this Lease and in accordance with our policies, your total amount due is payable in advance and without demand in _____ installments of \$ _____ each. This amount may include or exclude other fees and charges as outlined in your lease package.

The first installment is due on or before the 1st of the month in which this Lease begins. All other payments must be made by the 1st of the month in which they are due, with no grace period. This amount is owed by you and is not the total rent owed by all residents.

If you don't pay the first installment by the date above, the total rent for the Lease term may be automatically accelerated without notice and become immediately due. We also may end your right of occupancy and recover damages, future rent, reletting charges, attorney's fees, court costs, and other lawful charges. Our rights, remedies and duties under Paragraphs 9 (Early Move-Out; Reletting Charges) and 25 (Default by Resident) apply to acceleration under this paragraph. **You must pay your installments on or before the 1st day of the month in which they are due. There is no grace period, and you agree that not paying by the 1st of the month is a material breach of this Lease. Cash is not acceptable without our prior written permission. You cannot withhold or offset rent unless authorized by law. Your obligation to pay rent does not change if there is a reduction of amenity access or other services performed by us.** If you don't pay rent on time, you'll be in default and subject to all remedies under state law and this Lease.

After this written notice (the amount or approximate amount of the charge, will be included), you agree to pay, as Additional Rent, the amount of the charge or fee imposed upon us, as a result of your occupancy. As examples, these charges can include, but are not limited to: any charges we receive for any zoning violation, sound, noise or litter charge; any charge under any nuisance or chronic nuisance type statute, 911 or other emergency services, per person, or per apartment charge and any utility bill unpaid by you, which is then assessed to us for payment.

- 5. SECURITY DEPOSIT.** Your security deposit is \$ _____, refundable deposit and \$ _____ non-refundable deposit, due on or before the date this Lease Contract is signed. Any animal deposit will be stated in an animal addendum. The security deposit will not be our limit of damages if you violate the lease contract. The above non-refundable security deposit is for the following purposes:
- _____
- _____
- _____

All of the above deposits together do not exceed one and one-half times the monthly rent. See this paragraph and Paragraph 28 (Surrender and Abandonment) for security deposit return information.

- During the term of this Lease Contract Management may use Resident's refundable security deposit in accordance with any applicable provisions of the property management agreement. At the conclusion of the tenancy Resident's security deposit shall be refunded to Resident consistent with Arizona law.

- The Security Deposit is held by the property owner. However, in the event you vacate the bedroom and apartment, all Security Deposit refunds will be processed by Management on behalf of the property owner in accordance with the terms of your lease and applicable law.

- 5.1. Refunds and Security Deposit Deductions.** *In accordance with our policies and as allowed by law, we may deduct from your security deposit the amount of damages beyond normal wear and tear.* We'll mail you, to the forwarding address you provide, your security deposit refund (less lawful deductions) and an itemized accounting of any deductions no later than fourteen (14) business days after the termination of your tenancy, surrender or abandonment, and return of possession and demand by you. If you fail to provide us with your forwarding address in writing, as required above, we will process the unclaimed security deposit in accordance with state law. You'll be liable for the following charges, if applicable: unpaid rent; unpaid utilities; unreimbursed service charges; repairs or damages caused by negligence, carelessness, accident, or abuse, including stickers, scratches, tears, burns, stains, or unapproved holes; replacement cost of our property that was in or attached to the apartment and is missing; replacing dead or missing smoke detectors or carbon monoxide detectors batteries at any time; utilities for repairs or cleaning; trips to let in company representatives to remove your telephone, Internet, television services or rental items (if you so request or have moved out); trips to open the apartment when you or any guest or occupant is missing a key, unreturned keys, missing or burned-out light bulbs; removing or rekeying unauthorized access control devices or alarm systems; packing, removing, or storing property removed or stored under Paragraph 28 (Surrender and Abandonment); removing illegally parked vehicles, special trips for trash removal caused by parked vehicles blocking dumpsters; false security alarm charges unless due to our negligence; animal-related charges under Paragraph 20 (Animals); government fees or fines against us for violation (by you, your occupant(s), or guest(s)) of local ordinances relating to smoke detectors, and carbon monoxide detectors, false alarms, recycling, or other matters; late-payment and returned-check charges; a charge (not to exceed \$100) for owner/manager's time and inconvenience in our lawful removal of an animal or in any valid eviction proceeding against you, plus attorney's fees, court costs, and filing fees actually paid; and other sums due under this Lease Contract.

You'll be liable to us for (A) charges for replacing all keys and access devices if you fail to return them on or before your actual move-out date; **and** (B) accelerated rent if you have violated Paragraph 25 (Default by Resident). **We may also deduct from your security deposit our reasonable costs incurred in rekeying security devices required by law if you vacate the apartment in breach of this Lease.**

- 6. GUESTS.** "Guests" include anyone entering the apartment for any reason related to your occupancy. You are responsible for the conduct of your guests, invitees, family members, and any other person whom you allow to enter the property or apartment, as if such conduct were your own. Unless otherwise stated in this Lease or in our policies, no more than 10 people may be present in the apartment at one time.

Other than residents and authorized occupants, no one else may occupy the apartment. Guests are not permitted to stay in the apartment for more than 3 consecutive days without our prior written consent. *If the previous blank isn't filled in, two (2) consecutive days will be the limit.*

- 6.1. Exclusion of Persons.** We may exclude from the apartment community guests or others who, in our judgment, have been violating the law, violating this Lease Contract or any apartment rules, or disturbing other residents, neighbors, visitors, or owner representatives. We may also exclude from any outside area or common area a person who refuses to show photo identification or refuses to identify himself or herself as a resident, occupant, or guest of a specific resident in the community.

- 7. CARE OF APARTMENT/COMMON AREAS AND DAMAGES.** You must promptly reimburse us for loss, damage, government fines, or cost of repairs or service in the apartment community due to a violation of the Lease Contract or rules, improper use, negligence, or intentional conduct by you or your invitees, guests

or occupants; or any other cause not due to our negligence or fault as allowed by law except for damages by acts of God to the extent they couldn't be mitigated by your action or inaction.

Unless the damage or wastewater stoppage is due to our negligence, we're not liable for—and you must pay for—repairs, replacement costs, and damage to the following that result from your or your invitees, guests, or occupants' negligence or intentional acts (A) damage to doors, windows, or screens; (B) damage from windows or doors left open; **and** (C) damage from wastewater stoppages caused by improper objects in lines exclusively serving your apartment.

Each resident is jointly and severally liable for all lease obligations relating to any shared areas and utilities (if applicable). All residents will be jointly responsible for damage to the apartment that we do not determine (in our sole discretion) was caused by a specific resident, and other amounts due under the Lease. In addition to other obligations outlined in this Lease, you are liable for your per-person share of animal violation charges, missing batteries from smoke or other detectors, government fines, or damages to the apartment if we cannot, in our reasonable judgment, ascertain the identity of the person who caused the damages or the charge or fee to be incurred. "Per person" is determined by the number of persons, include you and other residents, authorized to live in the apartment at the time of the damage, charge, fine or violation.

8. INSURANCE. *We do not maintain insurance to cover your personal property or personal injury.*

8.1. Renter's Insurance Requirement

You are:

- required to buy and maintain renter's insurance, **or**
- not required to buy renter's insurance.

8.2. Personal Liability Insurance Requirement

You are:

- required to purchase and maintain personal liability insurance; **or**
- not required to buy liability insurance.

If neither option is checked, insurance is not required but is still strongly recommended. Even if not required, we urge you to get your own insurance for losses due to theft, fire, water, pipe leaks, and similar occurrences. Renter's insurance doesn't cover losses due to a flood. We urge all residents to obtain flood insurance—particularly those residents in coastal areas, areas near rivers, and areas prone to flooding. A flood insurance resource which may be available includes the National Flood Insurance Program managed by the Federal Emergency Management Agency (FEMA).

9. EARLY MOVE-OUT; RELETTING CHARGE. You'll be liable to us for a reletting charge of \$ _____ (not to exceed 100% of the highest of your installment amount during the Lease Contract term) if you (A) fail to give written move-out notice as required; or (B) move out without paying rent in full for the entire Lease Contract term or renewal period; or (C) move out at our demand because of your default; **or** (D) are judicially evicted.

The reletting charge is not a cancellation fee nor a buyout fee and does not release you from your obligations under this Lease. It is a liquidated amount covering only part of our damages, that is, our time, effort, and expense in finding and processing a replacement. These damages are uncertain and difficult to ascertain—particularly those relating to inconvenience, paperwork, advertising, showing apartments, utilities for showing, checking prospects, office overhead,

marketing costs, and locator-service fees. You agree that the reletting charge is a reasonable estimate of such damages and that the charge is due whether or not our reletting attempts succeed. If no amount is stipulated, you must pay our actual reletting costs so far as they can be determined. The reletting charge does not release you from continued liability for: future or past-due rent; charges for cleaning, repairing, repainting, or unreturned keys; or other sums due.

10. SECURITY AND SAFETY DEVICES.

10.1. Smoke and Carbon Monoxide Detectors. We'll furnish smoke detectors and carbon monoxide detectors only if required by statute. We may install additional detectors not so required. We'll test them and provide working batteries when you first take possession. Upon request, we'll provide, as required by law, a smoke alarm or carbon monoxide detector capable of alerting a person with a hearing-impairment disability.

You must test the smoke detectors and the carbon monoxide detectors on a regular basis, and you must pay for and replace batteries as needed unless the law provides otherwise. We may replace dead or missing batteries at your expense, without prior notice to you. **If you damage or disable the smoke detector or carbon monoxide detector or remove a battery, without replacing it with a working battery, you may be liable to us for the cost of replacing or repairing the tampered device, actual damages, and attorney's fees.**

10.2. Duty to Report. You must immediately report smoke detector and carbon monoxide detector malfunctions to us. Neither you nor others may disable neither the smoke detector or the carbon monoxide detectors. You will be liable to us and others for any loss, damage, or fines from fire, smoke or water.

11. DELAY OF OCCUPANCY. We are not responsible for any delay of your occupancy caused by construction, repairs, cleaning, or a previous resident's holding over. The Lease Contract will remain in force subject to (1) abatement of rent on a daily basis during delay, **and** (2) your right to terminate as set forth below.

After termination, you are entitled only to a refund of the deposit(s) you paid and any rent you paid. Rent abatement or Lease Contract termination does not apply if delay is for cleaning or repairs that don't prevent you from occupying the apartment.

If there is a delay and we haven't given notice of delay as set forth immediately below, you may terminate up to the date when the apartment is ready for occupancy, but not later. **Termination notice must be in writing.**

- (a) If we give you written notice when or after the Lease begins—and the notice states that occupancy has been delayed because of construction or a previous resident's holding over, and that the apartment will be ready on a specific date—you may terminate the Lease Contract within three (3) days of your receiving the notice, but not later.
- (b) If we give you written notice before the date of the Lease begins and the notice states that a construction delay is expected and that the apartment will be ready for you to occupy on a specific date, you may terminate the Lease Contract within five (5) days after you receive written notice, but not later.

The readiness date is considered the new initial term as set forth in Paragraph 3 (Term) for all purposes. This new date may not be moved to an earlier date unless we and you agree in writing.

Resident Life

12. COMMUNITY POLICIES OR RULES. You and all guests and occupants must comply with any written apartment rules and community policies, including instructions for care of our property. Our rules are considered part of this Lease Contract. We may make reasonable changes to written rules, upon thirty (30) days written notice, if they are distributed and applicable to all apartments in the apartment community and do not change dollar amounts on page 1 of this Lease Contract.

12.1. Photo/Video Release. When signing this Lease, you grant us permission to use any photograph or video taken of you while you are using property common areas or participating in any event sponsored by us.

12.2. Limitations on Conduct. Your apartment and other areas reserved for your private use must be kept clean and free of trash, garbage, and other debris. Trash must be disposed of at least weekly in appropriate receptacles in accordance with local ordinances. Passageways may be used only for entry or exit. You agree to keep all passageways and common areas free of obstructions such as trash, storage items, and all forms of personal property. No person shall ride or allow bikes, skateboards, or other similar objects in the passageways. You will use balconies with care and will not overload them. Any swimming pools, saunas, spas, tanning beds, exercise rooms, storerooms, laundry rooms, and similar areas must be

used with care and in accordance with apartment rules and posted signs. Glass containers are prohibited in all other common areas. Within the apartment community you, your occupant(s), and your guest(s) must not use candles or use kerosene lamps or heaters without our prior written approval; cook on balconies or outside. You, your occupant(s), and your guest(s) must not solicit business or contributions. Conducting any kind of business (including child-care services) in your apartment or in the apartment community is prohibited—except that any lawful business conducted “at home” by computer, mail, or telephone is permissible if customers, clients, patients, or other business associates do not come to your apartment for business purposes. We may regulate:

- (a) the use of patios, balconies, and porches;
- (b) the conduct of furniture movers and delivery persons; **and**
- (c) recreational activities in common areas.

You'll be liable to us for damage caused by you or any guests or occupants.

12.3. Amenities. Amenities and their use are not guaranteed and may be closed, temporarily or permanently, at the sole and absolute discretion of the owner based on the business needs of the community or in response to any of the categories listed in Paragraph 26.5 (Force Majeure), without notice, obligation or recompense of any nature to Resident.

12.4. Notice of Convictions and Registration. You agree to notify us if you or any occupants are convicted of (A) any felony, **or** (B) any misdemeanor involving a controlled substance, violence to another person or destruction of property. You also agree to notify us if you or any occupant registers as a sex offender in any state. Informing us of criminal convictions or sex offender registry does not waive our right to evict you.

12.5. Attendance and Enrollment. We may, at our option, require information about your attendance and enrollment. If required by us, you must notify us prior to any extended absence from your apartment that is for more than fourteen (14) days and not during a regular school break. If you are suspended or expelled by an educational institution, we have the right, but not the obligation, to terminate your Lease. Within ten (10) days of your suspension or expulsion, you must give us written notice if our policies require this information. At our request, the educational institution may give us information about your enrollment status.

13. PROHIBITED CONDUCT. You, your occupant(s) or guest(s), or the guest(s) of any occupant(s), may not engage in the following activities:

- (a) criminal conduct; manufacturing, delivering, possessing with intent to deliver, or otherwise possessing a controlled substance or drug paraphernalia; engaging in or threatening violence; possessing a weapon prohibited by state law; discharging a firearm in the apartment community; displaying or possessing a gun, knife, or other weapon in the common area in a way that may alarm others;

Motorcycles, motorized bikes, or scooters, may not be parked inside an apartment or on sidewalks, under stairwells, or in handicapped parking areas. We may have unauthorized or illegally parked vehicles towed under an appropriate statute. A vehicle is unauthorized or illegally parked in the apartment community if it:

- (b) is on jacks, blocks or has wheel(s) missing;

15. RELEASE OF RESIDENT. Unless allowed by this Lease Contract, federal or state law, you won't be released from this Lease Contract for any reason.

16. MILITARY PERSONNEL CLAUSE. All parties to this Lease Contract agree to comply with any federal law, including, but not limited to the Service Member's Civil Relief Act, of any applicable state law(s), if you are seeking to terminate this Lease Contract and/or subsequent renewals and/or Lease Contract extensions under the rights granted by such laws.

17. RESIDENT SAFETY AND LOSS. *We are not liable to you, other residents in your apartment, or your guests for any damage, injury or loss to person or property caused by persons, including but not limited to theft, burglary, assault, vandalism or other crimes.* We're not liable to you, other residents, guests, or occupants for personal injury or damage or loss of personal property from any cause, including but not limited to: fire, smoke, rain, flood, water and pipe leaks, hail, ice, snow, lightning, wind, explosions, earthquake, interruption of utilities, or other occurrences unless such damage injury or loss unless otherwise required by law. We have no duty to remove any ice, sleet, or snow but may remove any amount with or without notice. During freezing weather, you must ensure that the temperature in the apartment is sufficient to make sure that the pipes do not freeze (the appropriate temperature will depend upon weather conditions and the size and layout of your apartment). If the pipes freeze or any other damage is caused by your failure to properly maintain the heat in your apartment, you'll be liable for damage to our and other's property. If you ask our representatives to perform services not contemplated in this Lease Contract, you will indemnify us and hold us harmless from all liability for those services.

You acknowledge that we are not equipped or trained to provide personal security services to you, other residents or your guests. You recognize that we are not required to provide any private security services and that no security devices or measures on the property are fail-safe. You further acknowledge that even if an alarm is provided it is a mechanical device that requires proper operation by you regarding coding and maintaining the alarm. Any charges resulting from the use of an intrusion alarm will be charged to you, including but not limited to any false alarms with police/fire/ambulance response or other required city charges.

We do not warrant security of any kind. You agree that you will not rely upon any security measures taken by us for personal security, and that you will call local law enforcement authorities if any security needs arise, along with 911 or any other applicable emergency number if an emergency occurs.

18. CONDITION OF THE PREMISES AND ALTERATIONS.

18.1. As-Is. *We disclaim all implied warranties.* You accept the apartment, fixtures, and furniture as is, except for conditions materially affecting the health or safety of ordinary persons. We disclaim all implied warranties. You'll be given an Inventory and Condition form on or before move-in. Within 48 hours after move in, you must sign and note on the form all defects or damage and return it to our representative. Otherwise, everything will be considered to be in a clean, safe, and good working condition.

18.2. Standards and Improvements. You must use customary diligence in maintaining the apartment and not damaging or littering the common areas. Unless authorized by statute or by us in writing, you must not perform any repairs, painting, wallpapering, carpeting, electrical changes, or otherwise alter our property. No holes or stickers are allowed inside or outside the

apartment. But we'll permit a reasonable number of small nail holes for hanging pictures on sheetrock walls and in grooves of wood-paneled walls, unless our rules state otherwise. No water furniture, washing machines, additional phone or TV-cable outlets, alarm systems, or lock changes, additions, or rekeying is permitted unless statutorily allowed or we've consented in writing. You may install a satellite dish or antenna provided you sign our satellite dish or antenna lease addendum which complies with reasonable restrictions allowed by federal law. You agree not to alter, damage, or remove our property, including alarm systems, smoke detectors and carbon monoxide detectors, furniture, telephone and cable TV wiring, screens, locks, and access control devices. When you move in, we'll supply light bulbs for fixtures we furnish, including exterior fixtures operated from inside the apartment; after that, you'll replace them at your expense with bulbs of the same type and wattage. Your improvements to the apartment (whether or not we consent) become ours unless we agree otherwise in writing.

19. REQUESTS, REPAIRS, AND MALFUNCTIONS.

19.1. Written Requests Required. IF YOU OR ANY OCCUPANT NEEDS TO SEND A NOTICE OR REQUEST—FOR EXAMPLE, FOR REPAIRS, INSTALLATIONS, SERVICES, OR SECURITY-RELATED MATTERS—IT MUST BE SUBMITTED THROUGH EITHER THE ONLINE RESIDENT PORTAL, OR SIGNED AND IN WRITING AND DELIVERED TO OUR DESIGNATED REPRESENTATIVE (except for fair-housing accommodation or modification requests or situations involving imminent danger or threats to health or safety such as fire, smoke, gas, explosion, overflowing sewage, uncontrollable running water, electrical shorts, or crime in progress). Our written notes on your oral request do not constitute a written request from you. A request for maintenance or repair by anyone residing in your bedroom or apartment constitutes a request from all residents.

19.2. Notifications and Requirements. You must promptly notify us in writing of: water leaks or excessive moisture; electrical problems; malfunctioning lights; broken or missing locks or latches; and other conditions that pose a hazard to property, health, or safety. Unless we instruct otherwise, you are required to keep the apartment cooled or heated according to our policies.

19.3. Utilities. We may change or install utility lines or equipment serving the apartment if the work is done reasonably without substantially increasing your utility costs. We may turn off equipment and interrupt utilities as needed to avoid property damage or to perform work. If utilities malfunction or are damaged by fire, water, or similar cause, you must notify our representative immediately. If air conditioning or other equipment malfunctions, you must notify our representative as soon as possible on a business day.

19.4. Our Right to Terminate for Casualty Loss/Property Closure. If we believe that fire or catastrophic damage is substantial or that performance of needed repairs poses a danger to you, we may terminate your tenancy within a reasonable time by giving you written notice. We also have the right to terminate this Lease during the lease term by giving you at least thirty (30) days' written notice of termination if we are demolishing your apartment or closing it and it will no longer be used for residential purposes for at least six (6) months, or if the property is subject to eminent domain. If your tenancy is so terminated, we'll refund prorated rent and all deposits, less lawful deductions. We may also remove personal property if it causes a health or safety hazard.

20. ANIMALS.

20.1. No Animals Without Consent. *Unless otherwise provided under federal, state, or local law, no animals (including mammals, reptiles, birds, fish, rodents, and insects) are allowed, even temporarily, anywhere in the apartment or apartment Community unless we've so authorized in writing.* If we allow an animal as a pet, you must execute a separate animal addendum which may require additional deposits, rents, fees or other charges. An animal deposit is considered a general security deposit. The animal addendum includes information governing animals, including assistance or service

animals. We will authorize an assistance animal for a disabled person without requiring an animal deposit. When allowed by applicable laws, before we authorize an assistance animal, if the disability is not readily apparent, we may require a written statement from a qualified professional verifying the disability-related need for the assistance animal. If we authorize an assistance animal, we may require you to execute a separate animal and/or assistance animal addendum. Animal deposits, additional rents, fees or other charges will not be required for an assistance animal needed due to disability, including an emotional support or service animal, as authorized under federal, state, or local law. You represent that any requests you made are true, accurate and made in good faith. You must not feed stray or wild animals.

20.2. Removal of Unauthorized Animal. We may remove an illegal or unauthorized animal by (1) leaving, in a conspicuous place in the apartment, a written notice of our intent to remove the animal within 24 hours; **and** (2) following the procedures of Paragraph 21 (When We May Enter). We won't be liable for loss, harm, sickness, or death of the animal unless due to our negligence. We'll return the animal to you upon request if it has not already been turned over to a humane society or local authority. You must pay for the animal's reasonable care and kenneling charges. We have no lien on the animal for any purpose.

20.3. Violations of Animal Policies and Charges. If you or any guest or occupant violates animal restrictions (with or without your knowledge), you'll be subject to charges, damages, eviction, and other remedies provided in this Lease, including an initial charge of \$ 100 per animal (not to exceed \$100 per animal) and a daily charge of \$ 10 per animal (not to exceed \$10 per day per animal) from the date the animal was brought into your apartment until it is removed. If an animal has been in the apartment at any time during your term of occupancy (with or without our consent), we'll charge you for defleaing, deodorizing, and shampooing. Initial and daily animal-violation charges and animal-removal charges are liquidated damages for our time, inconvenience, and overhead (except for attorney's fees and litigation costs) in enforcing animal restrictions and rules.

21. WHEN WE MAY ENTER. Except in case of emergency or when it is impractical to do so, landlord will give at least two (2)-day advance written notice of any entry into an apartment. This notice may be hand delivered to someone in the apartment, or may be sent certified or registered mail. If notice is sent by mail, it is deemed received five (5) days after mailing or the day the person receives the mail, whichever occurs first. Notice to us of a service or maintenance request automatically grants us the authority to enter the apartment at all reasonable times for the purpose of that request. We have the right to enter in case of emergencies and, subject to notice requirements, in cases where entry is for: responding to our request; making repairs or replacements; estimating repair or refurbishing costs; performing pest control; doing preventive maintenance; changing filters; testing or replacing smoke-detector or carbon monoxide detector batteries; retrieving unreturned tools, equipment or appliances; preventing waste of utilities; exercising our contractual lien; leaving notices; delivering, installing, reconnecting, or replacing appliances, furniture, equipment, or access control devices; removing or rekeying unauthorized access control devices; removing unauthorized window coverings; stopping excessive noise; removing health or safety hazards (including hazardous materials), or items prohibited under our rules; removing perishable foodstuffs if your electricity is disconnected; removing unauthorized animals; cutting off electricity according to statute; retrieving property owned or leased by former residents; inspecting when immediate danger to person or property is reasonably suspected; allowing entry by a law officer with a search or arrest warrant, or in hot pursuit; showing apartment to prospective residents (after move-out or vacate notice has been given); or showing apartment to government inspectors for the limited purpose of determining housing and fire ordinance compliance by us and to lenders, appraisers, contractors, prospective buyers, or insurance agents.

22. NOTICES. Notices and requests from you or any co-resident or occupant of the apartment constitute notice from all co-residents. Your notice of tenancy termination or intent to move out must be signed by you.

A notice from us to you to pay sums owed only by you, or regarding sale of property that belongs only to you or that was in your possession and care, will be addressed to you only. You represent that you have provided your current e-mail address to us, and that you will notify us in the event your e-mail address changes.

23. SUBLETTING, TRANSFERS, RELOCATION AND REPLACEMENTS.
Prior written consent required. Replacing a resident, subletting, assignment, or granting a right or license to occupy is allowed only when we expressly consent in writing.

23.1. Transfers. You must get our prior written approval for any transfer. If transfer is approved, you must:

- (a) be in compliance with all terms of this Lease;
- (b) execute a new Lease or other agreement for the space to which you are transferring;
- (c) complete all required forms;
- (d) pay a new security deposit in advance if required; **and**
- (e) pay transfer fee of \$ 300.00 in advance if you are moving from one apartment to another or \$ 300.00 in advance if you are moving from one exclusive space to another in the same apartment.

Under no circumstances will we be responsible for paying your moving costs.

23.2. Relocation. To the extent practical in our sole judgment, we will try to honor requests for residing in a particular bedroom or apartment.

23.3. Replacement. If departing or remaining residents find a replacement resident acceptable to us before moving out and we expressly consent, in writing, to the replacement, subletting, assignment, or granting a right or any license to occupy, then:

- (a) a reasonable administrative (paperwork) and/or transfer fee will be due, and a rekeying fee will be due if rekeying is requested or required; **and**
- (b) the departing and remaining residents will remain liable for all lease obligations for the rest of the original lease term.

If we approve a replacement resident, then, at our option, that resident must sign a new Lease. Deposits will not transfer, unless we agree otherwise in writing. The departing resident will no longer have a right to occupancy or a security deposit refund, but will remain liable for the remainder of the original Lease Contract term unless we agree otherwise in writing—even if a new Lease Contract is signed.

23.4. Rental Prohibited. You agree that you won't rent or offer to rent your bedroom or all or any part of your apartment to anyone else. You agree that you won't accept anything of value from anyone else for the use of any part of your apartment. You agree not to list any part of your apartment on any lodging rental website or with any service that advertises apartments for rent.

Owner's Rights and Remedies

24. RESPONSIBILITIES OF OWNER. We'll act with customary diligence to:

- (a) keep common areas reasonably clean, subject to Paragraph 18 (Conditions of the Premises and Alterations);
- (b) maintain fixtures, hot water, heating and air conditioning equipment;
- (c) comply with applicable federal, state, and local laws regarding safety, sanitation, and fire housing; **and**
- (d) make all reasonable repairs, subject to your obligation to pay for damages and items for which you are liable.

24.1. Your Remedies. *If we violate any of the above, you may terminate your tenancy and exercise other remedies under state statute only as follows:*

- (a) you must make a written request for repair or remedy of the condition. Your request must involve a material breach of the Lease Contract, and it must include a description of all needed repair actions;
- (b) after receiving the request, we have a reasonable time to repair, considering the nature of the problem and the reasonable availability of materials, labor, and utilities; **and**
- (c) if repairs involving a material noncompliance have not been completed within ten (10) days, or within five (5) days if the repairs materially affect your health and safety, you may terminate your tenancy and exercise other statutory remedies.

25. DEFAULT BY RESIDENT

25.1. Acts of Default. You'll be in default if you or any guest or occupant violates any terms of this Lease Contract including but not limited to the following violations (A) you don't pay rent or other amounts that you owe when due; (B) you or any guest or occupant violates the apartment rules, or fire, safety, health, or criminal laws, regardless of whether or where arrest or conviction occurs; (C) you abandon the apartment; (D) you give incorrect or false answers in a rental application; (E) you or any occupant is arrested, convicted, or given deferred adjudication for (1) a felony offense involving actual or potential physical harm to a person, or involving possession, manufacture, or delivery of a controlled substance, marijuana, or drug paraphernalia under state statute, or (2) any sex-related crime, including a misdemeanor; (F) any illegal drugs or paraphernalia are found in your apartment; (G) you or any occupant, in bad faith, makes an invalid complaint to an official or employee of a utility company or the government; **or** (H) you allow a co-resident who has been evicted to stay in your bedroom or the apartment.

The resident defaults contained in the Lease will be limited to conduct by you or any of your invitees, guests or occupants, or to conduct in which you and any invitee, guest, occupant or resident participated. The remedies for a default committed solely by a resident in the apartment will be limited to those that affect that resident only.

25.2. Lease Renewal When A Breach or Default Has Occurred. In the event that you enter into a subsequent Lease prior to the expiration of this Lease and you breach or otherwise commit a default under this Lease, we may, at our sole and absolute discretion, terminate the subsequent Lease, even if the subsequent Lease term has yet to commence. We may terminate said subsequent Lease by sending you written notice of our desire to terminate said subsequent Lease.

25.3. Eviction.

(a) *Failure to Maintain Apartment.* If you default in your obligations to maintain the apartment and that default materially affects the health and safety of you or other residents, we may give you five (5) days written notice of tenancy termination, and will in that notice describe your acts or omissions that constitute the breach of the Lease Contract. If you cure these breaches within the five (5)-day deadline, your tenancy will not terminate. Otherwise, we may file for eviction immediately. If there are further incidences of similar types of breaches for which you have been given previous notice, we may file for eviction ten (10) days after written notification to you of an additional noncompliance of the same or similar nature as the previous noncompliance.

(b) *Irreparable Default.* If your default is material and irreparable, including but not limited to discharging a weapon, homicide, prostitution, criminal street gang activity, or other statutorily proscribed violations, we may deliver you written notice of immediate tenancy termination and file for eviction immediately.

(c) *Nonpayment of Rent.* If you default for nonpayment of rent, and fail to bring rent current within five (5) days after we deliver written notice to you of our intent to terminate your tenancy if rent is not paid within that time, we may terminate your tenancy by filing an eviction action. Accepting money at any time does not waive our right to damages, past or future rent, or other sums owed under the Lease Contract, and accepting partial payment of rent does not waive our right to continue with eviction proceedings. We

are not required to accept partial payment, but if we do so, you agree to sign a waiver agreement in which you agree to make scheduled payments and agree that we have waived none of our enforcement rights by accepting partial payment.

(d) *Other Default.* If you otherwise default in a manner not described above in this eviction subsection, we may deliver written notice to you that your tenancy will terminate not sooner than ten (10) days after the receipt of our notice if your breach is not remedied within ten (10) days. If you fail to cure the breaches outlined in our notice within this ten (10)-day period, we may file for eviction immediately.

If you are evicted, you must leave the apartment and cannot live in another bedroom or anywhere else in the apartment. ***In an eviction, rent is owed for the full rental period and will not be prorated.***

25.4. Acceleration. All monthly rent for the rest of the Lease Contract term or renewal period will be accelerated automatically without notice or demand (before or after acceleration) and will be immediately due and delinquent if, without our written consent (A) you move out, remove property in preparing to move out, or give oral or written notice (by you or any occupant) of intent to move out before the Lease Contract term or renewal period ends; **and** (B) you've not paid all rent for the entire Lease Contract term or renewal period.

Such conduct is considered a default for which we need not give you notice. Remaining rent also will be accelerated if you're judicially evicted or move out when we demand because you've defaulted. Acceleration is subject to our mitigation obligations below.

25.5. Other Remedies. We may report unpaid amounts to credit agencies. If you default and move out early, you will pay us any amounts stated to be rental discounts in Paragraph 35 (Special Provisions), in addition to other sums due. Upon your default, we have all other legal remedies, including tenancy termination and lockout under state statute. Unless a party is seeking exemplary, punitive, sentimental or personal-injury damages, the prevailing party may recover from the non-prevailing party attorney's fees and all other litigation costs. Late charges are liquidated damages for our time, inconvenience, and overhead in collecting late rent, but are not for attorney's fees and litigation costs. All unpaid amounts bear 18% interest per year from due date, compounded annually. You must pay all collection agency fees if you fail to pay all sums due within ten (10) days after we mail you a letter demanding payment and stating that collection agency fees will be added if you don't pay all sums by that deadline.

25.6. Mitigation of Damages. If you move out early, you'll be subject to all other remedies. We'll exercise customary diligence to relet and mitigate damages. We'll credit all subsequent rent that we actually receive from subsequent residents against your liability for past-due and future rent and other sums due.

25.7. Default by Other Residents. If there is a default by another resident, it may not be possible to prevent their occupancy of the apartment during legal proceedings.

26. OTHER IMPORTANT PROVISIONS.

26.1. Representatives' Authority; Waivers; Notice.

Our representatives (including management personnel, employees, and agents) have no authority to waive, amend, or terminate this Lease Contract or any part of it, unless in writing, and no authority to make promises, representations, or agreements that impose security duties or other obligations on us or our representatives unless in writing.

Any dimensions and sizes provided to you relating to the apartment are only approximations or estimates; actual dimensions and sizes may vary. No action or omission of our representative will be considered a waiver of any subsequent violation, default, or time or place of performance. Our not enforcing or belatedly enforcing written-notice requirements, rental due dates, acceleration, liens, or other rights isn't a waiver under any circumstances. Except when notice or demand is required by statute, you waive any notice and demand for performance from us if you default. We may require a guarantor if you do not qualify on your own. If anyone else has guaranteed performance of this Lease, a separate Lease Guaranty for each guarantor must be executed and submitted per our policies, we may, at our option, terminate this Lease. Written notice to or from our managers constitutes notice to or from us. Any person giving a notice under this Lease Contract should retain a copy of the memo, letter or fax that was given (and any fax-transmittal verification). Fax or electronic signatures are binding. All notices must be signed.

26.2. Entire Agreement. Neither we nor any of our representatives have made any oral promises, representations, or agreements.

26.3. Miscellaneous.

- (a) Exercising one remedy won't constitute an election or waiver of other remedies.
- (b) Unless prohibited by law or the respective insurance policies, insurance subrogation is waived by all parties.
- (c) All remedies are cumulative.
- (d) No employee, agent or management company is personally liable for any of our contractual, statutory, or other obligations merely by virtue of acting on our behalf.
- (e) This Lease Contract binds subsequent owners.
- (f) This Lease remains in effect if any provision or clause is invalid or if initials are omitted on any page.
- (g) All provisions regarding our non-liability and non-duty apply to our employees, agents, and management companies.
- (h) This Lease Contract is subordinate or superior to existing and future recorded mortgages, at lender's option.
- (i) All lease obligations must be performed in the county where the apartment is located.
- (j) All discretionary rights reserved for us within this Lease Contract or any accompanying addenda are at our sole and absolute discretion.

26.4. Rooming House. In no event shall the apartment be deemed a rooming or lodging house and, in the event any state or local agency makes any determination to the contrary, we reserve the right to terminate the Lease upon seven (7) days' notice.

26.5. Force Majeure. If we are prevented from completing performances of any obligations hereunder by an act of God, strikes, epidemics, war, acts of terrorism, riots, flood, fire, hurricane, tornado, sabotage, or other occurrence which is beyond our control, then we shall be excused from any further performance of obligations and undertakings hereunder, to the fullest extent allowed under applicable law. Your exposure to or contracting of a virus does not excuse you from fulfilling your Lease obligations.

Furthermore, if such an event damages the property to materially affect its habitability by some or all residents, we reserve the right to vacate any and all leases and you agree to excuse us from any further performance of obligations and undertakings hereunder, to the full extent allowed under applicable law.

End of the Lease

27. MOVE-OUT PROCEDURES. The move-out date can't be changed unless we and you both agree in writing. You won't move out before the lease term or renewal period ends unless all rent for the entire lease term or renewal period is paid in full. Early move-out may result in acceleration of future rent under Paragraph 25 (Default by Resident). You're prohibited by law from applying any security deposit to rent. You won't stay beyond the date you

are supposed to move out. All residents, guests, and occupants must vacate or surrender the bedroom and apartment before the thirty (30)-day period for deposit refund begins. You must give us and the U.S. Postal Service, in writing, each resident's forwarding address.

27.1. Cleaning. You must thoroughly clean the apartment, including doors, windows, furniture, bathrooms, kitchen appliances, patios, balconies, garages, carports, and storage rooms. You must follow move-out cleaning instructions if they have been provided. If you don't clean adequately, you'll be liable for reasonable cleaning charges—including charges for cleaning carpets, draperies, furniture, walls, etc. that are soiled beyond normal wear (that is, wear or soiling that occurs without negligence, carelessness, accident, or abuse).

27.2. Move-Out Inspection. You should meet with our representative for a move-out inspection. Our representative has no authority to bind or limit us regarding deductions for repairs, damages, or charges. Any statements or estimates by us or our representative are subject to our correction, modification, or disapproval before final refunding or accounting. You may be present at move-out inspection if you notify us in advance in writing of your request.

28. SURRENDER AND ABANDONMENT. You have *surrendered* the bedroom and the apartment when (A) the move-out date has passed and no one is living in the bedroom in our reasonable judgment; **or** (B) all bedroom and apartment keys and access devices listed herein have been turned in where rent is paid—whichever date occurs first. A bedroom or an apartment is also considered “surrendered” ten (10) days after the death of a sole resident.

28.1. The Ending of Your Rights. Surrender, abandonment, and judicial eviction end your right of possession for all purposes and gives us the immediate right to: clean up, make repairs in, and relet the bedroom or apartment; determine any security deposit deductions; and remove property left in the apartment in accordance with state law. Surrender, abandonment, and judicial eviction affect your rights to property left in the apartment but do not affect our mitigation obligations. Once these conditions precedent occur, we may retake the apartment pursuant to A.R.S. § 33-1370 by (1) mailing to you a notice of abandonment via certified e-mail with return receipt requested to the apartment and to any other known address, (2) posting this notice of abandonment upon the front door of the apartment for a five (5)-day period, and (3) entering the apartment at the end of the five (5)-day period.

28.2. Removal after Surrender. Upon termination of your tenancy and its term, you agree to return all keys and physically vacate the bedroom or apartment and remove all of your personal property. If you fail to remove your personal property at the time you return possession to the landlord and return all keys, we may throw away, give away, or otherwise dispose of any personal property left in the bedroom or apartment unless an agreement in writing is otherwise negotiated.

28.3. Removal after Abandonment, Judicial Eviction or Other Means. When we retake possession of your bedroom, whether following abandonment, judicial eviction, or any other method other than your voluntary surrender of the bedroom and apartment, we may store any personal possessions you've left in the abandoned bedroom or apartment. We will notify you of the location of your stored property by certified mail, return receipt requested to your last known address and to any other known addresses. We will store your personal property for fourteen (14) calendar days after our notification to you of your abandonment. After this time, we may sell the property, retain the proceeds, and apply them towards the outstanding delinquencies. We will mail you any excess proceeds to your last known address. However, if we determine that the value of the property is less than it would cost to store and move said personal property, we may throw away, give away to charity, or otherwise dispose of some or all of the property. Any animal that is left in the apartment may be transported, at our discretion, to a shelter or boarding facility. In such an event, we will maintain records of the name and location of the facility to which the animal was removed. In addition, we may dispose of perishable items or those items that are either contaminated or a biohazard as we deem fit.

If you request access to your personal property and offer to pay for the storage and/or removal costs in writing, we will provide access to your personal property within five (5) days of receipt of your offer and upon delivery of the payment of those costs.

General Provisions and Signatures

29. DISCLOSURE RIGHTS. If someone requests information on you or your rental history for law-enforcement, governmental, or business purposes, we may provide it.

30. ASSOCIATION MEMBERSHIP. We represent that either: (A) we or; (B) the management company that represents us, is at the time of signing this Lease Contract or a renewal of this Lease Contract, a member of both the National Apartment Association and any affiliated state and local apartment (multi-housing) associations for the area where the apartment is located.

31. CANCELLATION. If written cancellation is received within seventy-two (72) hours of the date you sign this Lease, the Lease will be voided with no penalties to you, unless we have received the first installment or you have been issued keys.

32. SEVERABILITY. If any provision of this Lease Contract is invalid or unenforceable under applicable law, such provision shall be ineffective to the extent of such invalidity or unenforceability only without invalidating or otherwise affecting the remainder of this Lease Contract. The court shall interpret the Lease and provisions herein in a manner such as to uphold the valid portions of this Lease Contract while preserving the intent of the parties.

33. ORIGINALS AND ATTACHMENTS. This Lease Contract has been executed in multiple originals, with original or electronic signatures. We will provide you with a copy of the Lease Contract. Your copy of the Lease Contract may be in paper format, in an electronic format at your request, or sent via e-mail if we have communicated by e-mail about this Lease. Our rules and community policies, if any, will be attached to the Lease Contract and provided to you at signing. When an Inventory and Condition form is completed, you should retain a copy, and we should retain a copy. Any addenda or amendments you sign as a part of executing this Lease Contract are binding and hereby

incorporated into and made part of the Lease Contract between you and us. **This Lease is the entire agreement between you and us.** You acknowledge that you are NOT relying on any oral representations. A copy or scan of this Lease Contract and related addenda, amendments, and agreements may be used for any purpose and shall be treated as an original.

34. DECEASED RESIDENT DESIGNEE. Pursuant to A.R.S. § 33-1314(F), Resident may designate “the name and contact information of a person who is authorized by the resident to enter the resident’s apartment to retrieve and store the resident’s property, including any pets residing therein, in the event of Resident’s death.” While the parties understand that this is an unpleasant possibility to contemplate, they agree that the need for such a designee may arise during the term of the Lease. With this in mind, Resident so designates the following individual (“Designee”) for the purposes contemplated in this statute.

Designee

Address

Telephone Number

E-mail Address

Further pursuant to this statute:
(a) If Designee fails to respond to Management within ten (10) days of the initial written attempt to contact Designee or declines to take possession of Resident’s personal property, Management may dispose of said property in accordance with the procedures set forth at A.R.S. § 33-1370.

- (b) Before removing any of Resident's personal property, Designee must present to Management a valid government-issued identification that confirms Designee's identity.
- (c) Designee shall have twenty (20) days from the date of initial written contact by the landlord or the last date for which rent is paid, whichever is longer, to remove items from the leased premises and return keys to Management during regular business hours (9:00 A.M. to 5:00 P.M.).
- (d) Please note that by operation of law, by Management allowing the Designee to enter the property to remove personal property pursuant to this Addendum, Management has no further liability to Resident, Resident's estate, or Resident's heirs for lost, damaged, or stolen personal property items. If Resident's personal property is not entirely removed from the leased premises by Designee, Management may dispose of the property as set forth at A.R.S. § 33-1370.

35. SPECIAL PROVISIONS. The following or attached special provisions and any addenda or written rules furnished to you at or before signing will become a part of this Lease and will supersede any conflicting provisions of this printed Lease form.

- "2" - Calculation of your total water use based on sub-metering of hot water
- "3" - Calculation of your total water use based on sub-metering of cold water
- "4" - Flat rate per month
- "5" - Allocation based on the number of persons residing in your apartment unit
- "6" - Allocation based on the number of persons residing in your apartment unit using a ratio occupancy formula
- "7" - Allocation based on square footage of your apartment unit
- "8" - Allocation based on a combination of square footage of your apartment unit and the number of persons residing in your apartment unit
- "9" - Allocation based on the number of bedrooms in your apartment unit
- "10" - Allocation based on a lawful formula not listed here
(Note: if method "10" is selected, a separate sheet will be attached describing the formula used)

2. If an allocation method is used, we or our billing company will calculate your allocated share of the utilities and services provided and all costs in accordance with state and local statutes. Under any allocation method, Resident may be paying for part of the utility usage in common areas or in other residential units as well as administrative fees. Both Resident and Owner agree that using a calculation or allocation formula as a basis for estimating total utility consumption is fair and reasonable, while recognizing that the allocation method may or may not accurately reflect actual total utility consumption for Resident. Where lawful, we may change the above methods of determining your allocated share of utilities and services and all other billing methods, in our sole discretion, and after providing written notice to you. More detailed descriptions of billing methods, calculations and allocation formulas will be provided upon request.

If a flat fee method for trash or other utility service is used, Resident and Owner agree that the charges indicated in this Agreement (as may be amended with written notice as specified above) represent a fair and reasonable amount for the service(s) provided and that the amount billed is not based on a monthly per unit cost.

3. When billed by us directly or through our billing company, you must pay utility bills within 15 days of the date when the utility bill is issued at the place indicated on your bill, or the payment will be late. If a payment is late, you will be responsible for a late fee as indicated below. The late payment of a bill or failure to pay any utility bills is a material and substantial breach of the Lease and we will exercise all remedies available under the Lease, up to and including eviction for nonpayment. To the extent there are any new account, monthly administrative, late or final bill fees, you shall pay such fees as indicated below.

New Account Fee:	\$ <u>80</u>	(not to exceed \$ _____)
Monthly Administrative Billing Fee:	\$ _____	(not to exceed \$ _____)
Late Fee:	\$ _____	(not to exceed \$ _____)
Final Bill Fee:	\$ _____	(not to exceed \$ _____)

If allowed by state law, we at our sole discretion may amend these fees, with written notice to you.

- 4. You will be charged for the full period of time that you were living in, occupying or responsible for payment of rent or utility charges on the apartment. If you breach the lease, you will be responsible for utility charges for the time period you were obliged to pay the charges under the Lease, subject to our mitigation of damages. In the event you fail to timely establish utility services, we may charge you for any utility service billed to us for your apartment and may charge a reasonable administration fee for billing for the utility service in the amount of \$ _____.
- 5. When you move out, you will receive a final bill which may be estimated based on your prior utility usage. This bill must be paid at the time you move out or it will be deducted from the security deposit.
- 6. We are not liable for any losses or damages you incur as a result of outages, interruptions, or fluctuations in utility services provided to the apartment unless such loss or damage was the direct result of negligence by us or our employees. You release us from any and all such claims and waive any claims for offset or reduction of rent or diminished rental value of the apartment due to such outages, interruptions, or fluctuations.
- 7. You agree not to tamper with, adjust, or disconnect any utility sub-metering system or device. Violation of this provision is a material breach of your Lease and may subject you to eviction or other remedies available to us under your Lease, this Utility Addendum and at law.
- 8. Where lawful, all utilities, charges and fees of any kind under this lease shall be considered additional rent, and if partial payments are accepted by the Owner, they will be allocated first to non-rent charges and to rent last.
- 9. You represent that all occupants that will be residing in the Unit are accurately identified in the Lease. You agree to promptly notify Owner of any change in such number of occupants.
- 10. Pursuant to A.R.S. § 33-1814.01, we may alter the method by which utilities are charged, whether under submetering or via a ratio utility billing system, after providing you with ninety (90) days' advance written notice of the intended changes.
- 11. This Addendum is designed for use in multiple jurisdictions, and no billing method, charge, or fee mentioned herein will be used in any jurisdiction where such use would be unlawful. If any provision of this addendum or the Lease is invalid or unenforceable under applicable law, such provision shall be ineffective to the extent of such invalidity or unenforceability only without invalidating or otherwise affecting the remainder of this addendum or the Lease. Except as specifically stated herein, all other terms and conditions of the Lease shall remain unchanged. In the event of any conflict between the terms of this Addendum and the terms of the Lease, the terms of this Addendum shall control.
- 12. The following special provisions and any addenda or written rules furnished to you at or before signing will become a part of this Utility Addendum and will supersede any conflicting provisions of this printed Utility Addendum and/or the Lease Contract.

Method 10 - Direct Meter: LANDLORD will remain the customer of record for the utility. The local utility provider measures utility usage in each apartment unit and bills LANDLORD directly for such charges. Charges for each unit will be divided by the number of days each bed was occupied in each unit to come up with each TENANT charge. Charges may include all utility and other miscellaneous charges included on the utility provider statement that would be charged as though TENANT were the customer of record, as allowed by applicable law. In accordance with Section 10 of this Addendum and where allowed by law, OWNER may at our sole discretion amend utility charges and/or service fees with written notice to TENANT. LANDLORD may estimate any and all utility charges above upon TENANT move-out (or at any other time) and such amounts shall be deemed final. TENANT is responsible for all setup, deposits, and activation fees of all utilities not paid for by LANDLORD. TENANT agrees to pay an annual service fee in the amount of \$80. This service fee is for administration, billing, overhead, sustainability initiatives, and similar

expenses and charges. WHERE APPLICABLE, TENANT shall pay for electric and gas ventilation and/or water heating systems based on an allocation formula, not actual meter reads. The bills received by OWNER from the local utility(ies) will be used to calculate the charges per TENANT. The property's bills will be allocated to each apartment unit based on a percentage assigned to each unit based on the square footage of that unit compared to the total amount of rentable and occupied square feet of all units at the property. The per apartment unit cost will then be divided by the number of days each bed was occupied in that unit to come up with each TENANT charge. TENANT will be responsible for any applicable utility taxes as allowed by law.

We can also inspect and treat adjacent or neighboring apartments to the infestation even if those apartments are not the source or cause of the known infestation. Unless otherwise prohibited by law, you are responsible for and must, at your own expense, have your own personal property, furniture, clothing and possessions treated according to accepted treatment methods established by a licensed pest control firm that we approve. You must do so as close as possible to the time we treated the apartment. 7. COOPERATION. If we confirm the presence or infestation of bed bugs, you must cooperate and coordinate with us and our pest control agents to treat and eliminate the bed bugs. You must follow all directions from us or our agents to clean and treat the apartment and building that are infested. Any items you remove from the apartment must be disposed of off-site and not in the property's trash receptacles. If we confirm the presence or infestation of bed bugs in your apartment, we have the right to require you to temporarily vacate the apartment and remove all furniture, clothing and personal belongings in order for us to perform pest control services. If you fail to cooperate with us, you will be in default, and we will have the right to terminate your right of occupancy and exercise all rights and remedies under the Lease Contract.

If you fail to move out after your right of occupancy has been terminated, you will be liable for holdover rent under the Lease Contract.

BED BUGS - A Guide for Rental Housing Residents

Bed bugs, with a typical lifespan of 6 to 12 months, are wingless, flat, broadly oval-shaped insects. Capable of reaching the size of an apple seed at full growth, bed bugs are distinguishable by their reddish-brown color, although after feeding on the blood of humans and warm-blooded animals—their sole food source—the bugs assume a distinctly blood-red hue until digestion is complete.

Bed bugs don't discriminate

Bed bugs increased presence across the United States in recent decades can be attributed largely to a surge in international travel and trade. It's no surprise then that bed bugs have been found time and time again to have taken up residence in some of the fanciest hotels and apartment buildings in some of the nation's most expensive neighborhoods.

Nonetheless, false claims that associate bed bugs presence with poor hygiene and uncleanliness have caused rental housing residents, out of shame, to avoid notifying owners of their presence. This serves only to enable the spread of bed bugs.

While bed bugs are, by their very nature, more attracted to clutter, they're certainly not discouraged by cleanliness.

Bottom line: bed bugs know no social and economic bounds; claims to the contrary are false.

Bed bugs don't transmit disease

There exists no scientific evidence that bed bugs transmit disease. In fact, federal agencies tasked with addressing pest of public health concern, namely the U.S. Environmental Protection Agency and the Centers for Disease Control and Prevention, have refused to elevate bed bugs to the threat level posed by disease transmitting pests. Again, claims associating bed bugs with disease are false.

Identifying bed bugs

Bed bugs can often be found in, around and between:

- Bedding
- Bed frames
- Mattress seams
- Upholstered furniture, especially under cushions and along seams
- Around, behind and under wood furniture, especially along areas where drawers slide
- Curtains and draperies
- Along window and door frames
- Ceiling and wall junctions
- Crown moldings
- Behind and around wall hangings and loose wallpaper
- Between carpeting and walls (carpet can be pulled away from the wall and tack strip)
- Cracks and crevices in walls and floors
- Inside electronic devices, such as smoke and carbon monoxide detectors

- Because bed bugs leave some persons with itchy welts strikingly similar to those caused by fleas and mosquitoes, the origination of such markings often go misdiagnosed. However, welts caused by bed bugs often times appear in succession and on exposed areas of skin, such as the face, neck and arms. In some cases, an individual may not experience any visible reaction resulting from direct contact with bed bugs.
- While bed bugs typically prefer to act at night, they often do not succeed in returning to their hiding spots without leaving traces of their presence through fecal markings of a red to dark brown color, visible on or near beds. Blood stains tend also to appear when the bugs have been squashed, usually by an unsuspecting host in their sleep. And, because they shed, it's not uncommon for skin casts to be left behind in areas typically frequented by bed bugs.

Preventing bed bug encounters when traveling

Because humans serve as bed bugs' main mode of transportation, it is extremely important to be mindful of bed bugs when away from home. Experts agree that the spread of bed bugs across all regions of the United States is largely attributed to an increase in international travel and trade. Travelers are therefore encouraged to take a few minutes upon arriving to their temporary destination to thoroughly inspect their accommodations, so as to ensure that any uninvited guests are detected before the decision is made to unpack.

Because bed bugs can easily travel from one room to another, it is also recommended that travelers thoroughly inspect their luggage and belongings for bed bugs before departing for home.

Bed bug do's and don'ts

- **Do not bring used furniture from unknown sources into your apartment.** Countless bed bug infestations have stemmed directly from the introduction into a resident's unit of second-hand and abandoned furniture. Unless the determination can be made with absolute certainty that a piece of second-hand furniture is bed bug-free, residents should assume that the reason a seemingly nice looking leather couch, for example, is sitting curbside, waiting to be hauled off to the landfill, may very well be due to the fact that it's teeming with bed bugs.
- **Do address bed bug sightings immediately.** Rental housing residents who suspect the presence of bed bugs in their unit must immediately notify the owner.
- **Do not attempt to treat bed bug infestations.** Under no circumstance should you attempt to eradicate bed bugs. Health hazards associated with the misapplication of traditional and non-traditional, chemical-based insecticides and pesticides poses too great a risk to you and your neighbors.
- **Do comply with eradication protocol.** If the determination is made that your unit is indeed playing host to bed bugs, you must comply with the bed bug eradication protocol set forth by both your owner and their designated pest management company.

Please note: It is our goal to maintain a quality living environment for our residents. To help achieve this goal, it is important to work together to minimize any mold growth in your dwelling. That is why this addendum contains important information for you, and responsibilities for both you and us.

2. LEASE CONTRACT DESCRIPTION.

Lease Contract Date: **April 9, 2025**

Owner's name: **Core SVA Tempe 7th Myrtle LLC**

Residents (list all residents):

This Addendum constitutes an Addendum to the above described Lease Contract for the above described premises, and is hereby incorporated into and made a part of such Lease Contract. Where the terms or conditions found in this Addendum vary or contradict any terms or conditions found in the Lease Contract, this Addendum shall control.

3. ABOUT MOLD. Mold is found virtually everywhere in our environment—both indoors and outdoors and in both new and old structures. Molds are naturally occurring microscopic organisms which reproduce by spores and have existed practically from the beginning of time. All of us have lived with mold spores all our lives. Without molds we would all be struggling with large amounts of dead organic matter.

Mold breaks down organic matter in the environment and uses the end product for its food. Mold spores (like plant pollen) spread through the air and are commonly transported by shoes, clothing and other materials. When excess moisture is present inside a dwelling, mold can grow. A 2004 Federal Centers for Disease Control and Prevention study found that there is currently no scientific evidence that the accumulation of mold causes any significant health risks for person with normally functioning immune systems. Nonetheless, appropriate precautions need to be taken.

4. PREVENTING MOLD BEGINS WITH YOU. In order to minimize the potential for mold growth in your dwelling, you must do the following

- Keep your dwelling clean—particularly the kitchen, the bathroom(s), carpets and floors. Regular vacuuming, mopping and using a household cleaner to clean hard surfaces is important to remove the household dirt and debris that harbor mold or food for mold. Immediately throw away moldy food.
- Remove visible moisture accumulation on windows, walls, ceilings, floors and other surfaces as soon as reasonably possible. Look for leaks in washing machine hoses and discharge lines—especially if the leak is large enough for water to infiltrate nearby walls. Turn on any exhaust fans in the bathroom and kitchen *before* you start showering

or cooking with open pots. When showering, be sure to keep the shower curtain *inside* the tub or fully close the shower doors. Also, the experts recommend that after taking a shower or bath, you: (1) wipe moisture off of shower walls, shower doors, the bathtub and the bathroom floor; (2) leave the bathroom door open until all moisture on the mirrors and bathroom walls and tile surfaces has dissipated; and (3) hang up your towels and bath mats so they will completely dry out.

- Promptly notify us in writing about any air conditioning or heating system problems you discover. Follow our rules, if any, regarding replacement of air filters. Also, it is recommended that you periodically open windows and doors on days when the outdoor weather is dry (i.e., humidity is below 50 percent) to help humid areas of your dwelling dry out.
- Promptly notify us in writing about any signs of water leaks, water infiltration or mold. We will respond in accordance with state law and the Lease Contract to repair or remedy the situation, as necessary.
- Keep the thermostat set to automatically circulate air in the event temperatures rise to or above 80 degrees Fahrenheit.

5. IN ORDER TO AVOID MOLD GROWTH, it is important to prevent excessive moisture buildup in your dwelling. Failure to promptly pay attention to leaks and moisture that might accumulate on dwelling surfaces or that might get inside walls or ceilings can encourage mold growth. Prolonged moisture can result from a wide variety of sources, such as:

- rainwater leaking from roofs, windows, doors and outside walls, as well as flood waters rising above floor level;
- overflows from showers, bathtubs, toilets, lavatories, sinks, washing machines, dehumidifiers, refrigerator or A/C drip pans or clogged up A/C condensation lines;
- leaks from plumbing lines or fixtures, and leaks into walls from bad or missing grouting/caulking around showers, tubs or sinks;
- washing machine hose leaks, plant watering overflows, pet urine, cooking spills, beverage spills and steam from excessive open-pot cooking;
- leaks from clothes dryer discharge vents (which can put lots of moisture into the air); and
- insufficient drying of carpets, carpet pads, shower walls and bathroom floors.

6. IF SMALL AREAS OF MOLD HAVE ALREADY OCCURRED ON NON-POROUS SURFACES (such as ceramic tile, formica, vinyl flooring, metal, wood or plastic), the federal Environmental Protection Agency (EPA) recommends that you first clean the areas with soap (or detergent) and water, let the surface dry, and then within 24 hours apply a pre-mixed, spray-on-type household biocide, such as Lysol Disinfectant®, Pine-Sol Disinfectant® (original pine-scented), Tilex Mildew Remover® or Clorox Cleanup®. (Note: Only a few of the common household cleaners will actually kill mold). Tilex® and Clorox® contain bleach which can discolor or stain. **Be sure to follow the instructions on the container.** Applying biocides without first cleaning away the dirt and oils from the surface is like painting over old paint without first cleaning and preparing the surface.

This addendum is incorporated into the Lease Contract (the "Lease") identified below and is in addition to all the terms and conditions contained in the Lease. If any terms of this Addendum conflict with the Lease, the terms of this Addendum shall be controlling:

3. Arizona law permits the use of both medical and recreational marijuana. Under both the AMA and the Smart and Safe Act, adults 21 and older in Arizona are permitted to possess and use marijuana subject to certain restrictions. However, this is not the case under federal law. Under federal law, specifically the Controlled Substances Act (CSA), marijuana is still categorized as a Schedule I substance. This means that under federal law, the manufacture, distribution, or possession of marijuana is strictly prohibited. Because the U.S. Department of Housing and Urban Development is controlled by the federal

government, it agrees that the use of marijuana, whether prescribed for medical reasons or not, is a criminal offense and will not be protected under the fair housing laws. Therefore, management is not required to accommodate the use of marijuana by a tenant who is a current medical marijuana user. Disabled tenants who are registered medical marijuana users, however, should not feel discouraged to request reasonable accommodations if the need arises.

4. The Premises listed above follows and complies with federal law regarding marijuana use and is, and will continue to be, a drug free community. Possession, use, manufacture or sale of any illegal substance, including marijuana or any use of marijuana by the tenant and/or guests will result in immediate termination. If you have any questions or concerns about this policy, please speak to management.

Tempe Rental Housing Code

Code Compliance

Why a Rental Housing Code?

While most property owners, landlords and property management companies do their best to maintain rental units in safe and healthy conditions, others may neglect needed repairs on their properties. Exterior conditions such as peeling paint, curling roof shingles and dead landscaping may have a negative effect on surrounding property values and discourage neighborhood pride. Interior conditions such as adequate cooling and heating, proper plumbing, and correct electrical connections are necessary to secure the well-being and safety of tenants.

The City of Tempe's Rental Housing Code was adopted in January 1998 to ensure that rental housing units, both single- and multi-family units, remain free of deteriorated and slum-like conditions. The code was not designed to settle landlord-tenant disputes.

This brochure provides a summary of Tempe's Rental Housing Code requirements. For more information or a complete copy of the Rental Housing Code, call **480-350-4311** or visit www.tempe.gov/code.

PERSONAL CLEANLINESS FACILITIES – Sanitary facilities adequate for personal cleanliness are required for every rental housing unit and must be properly installed and maintained, including: flush toilets, lavatory basins, bathtubs/showers, hot water service of at least 110 degrees, drain seals/traps and reasonable water pressure (not less than one gallon-per-minute).

KITCHEN SANITATION – Kitchens, sink, oven, stove and refrigerator are required and must be in sanitary condition; water pressure and water supply are required; countertops, pantries and cupboards shall be free from holes, breaks or cracks and the surface must be easily cleanable.

OUTLETS & LIGHTING – Every habitable room shall have two outlets and either a permanent light fixture or a three-outlet controlled by a wall switch; permanent light fixtures are required in each laundry room, bathroom and kitchen.

HEATING & COOLING – Permanently installed heating facilities, able to provide a temperature of at least 70 degrees, and cooling devices, able to provide adequate cooling (dependent upon the unit type), are required. No oven, stove, range or unvented combustion heater may be used for the purpose of heating a unit.

DOORS, WINDOWS & VENTILATION – Specific requirements for doors, windows and ventilation are enumerated in the Rental Housing Code. As a summary, each unit is required to have weather-tight exterior doors and windows that provide adequate light and ventilation. Any unit cooled by an evaporative cooler that is not equipped with updrafts shall have at least one operable exterior opening that is screened. Thermostat Settings. During the winter months, Energy.gov (<https://www.energy.gov/>) recommends setting your thermostat to 68°F while you are awake and setting it lower while you are asleep or away from home. Considerations should be made for extremely cold temperatures as to avoid freezing pipes.

Energy.gov recommends that you set your thermostat at as high a temperature as comfortably possible and ensure humidity control if needed.

Please note that the thermostat settings listed above are only recommended guidelines and that the appropriate thermostat setting will depend upon weather conditions and the size and layout of your unit.

Lighting and Light Bulbs. Use natural light when possible. Consider replacing standard incandescent light bulbs with energy-saving compact fluorescent light bulbs (CFLs) or light-emitting diodes (LEDs).

The purpose of this notice is to educate residential pool* owners on the legal requirements of pool ownership and proper pool safety. Each year in Arizona, too many young children are victims of drowning or near drowning. The Arizona State Legislature recognized this threat to the health and safety of children and passed [A.R.S. § 36-1681](#) to prevent children from gaining unsupervised access to residential swimming pools. In A.R.S. § 36-1681(B), the Legislature requires that all pool owners receive the legal requirements of pool ownership and a safety notice explaining the Arizona Department of Health Services' recommendations on pool safety.

Permission to quote from or reproduce this notice for non-commercial purposes is granted when due acknowledgement is made. Quotation from or reproduction of this notice for a commercial purpose is governed by [A.R.S. § 39-121.03](#).

Pool Enclosure Requirements

At a residence with a swimming pool where one or more children under six years of age live in the residence:

A.R.S. § 36-1681 requires that a swimming pool be protected by an enclosure (wall, fence, or barrier) that surrounds the pool area. Unless a local code provides otherwise, the enclosure of a belowground or aboveground pool must:

- Entirely enclose the pool area;
- Be at least 5 feet high;
- Have no openings other than doors or gates through which an object 4 inches in diameter can pass;
- Have no openings, handholds, or footholds accessible from the exterior side that can be used to climb the barrier; and
- Be at least 20 inches from the water's edge.

If, however, a residence or living area makes up part of the enclosure required by A.R.S. § 36-1681(B), there must be:

- A wall, fence, or barrier located between the swimming pool or other contained body of water and the residence or living area that:
 - Has a height of at least four feet;
 - Has no openings through which a spherical object four inches in diameter can pass;
 - Has a gate that opens outward from the pool and is self-closing and self-latching;
 - Has no openings, handholds, or footholds accessible from the exterior side of the enclosure that can be used to climb the wall, fence, or barrier; and
 - Is at a distance of at least twenty inches from the water's edge;
- A motorized safety pool cover that requires a key switch and meets the American Society of Testing and Materials (ASTM) standards in F1346-91 (www.astm.org);
- For each door or window in the residence or living area that has direct access to the pool:
 - A self-latching device that is located not less than fifty-four inches above the floor; and
 - Either a screwed in wire mesh screen covering a dwelling or guest room window or a keyed lock that prevents a dwelling or guest room window from opening more than four inches; or
- For an aboveground swimming pool, non-climbable exterior sides which are a minimum height of four feet and access ladders or steps that are removable and able to be secured when the pool is not in use.

Gate Requirements

According to A.R.S. § 36-1681(B)(3), any gate in either the five-foot-tall wall, fence, or barrier enclosing a pool or the four-foot-tall wall, fence, or barrier between the residence or other living area and a pool must:

- Open outward from the pool
- Be self-closing and self-latching; and
- Have a latch:
 - Located at least fifty-four inches above the underlying ground;
 - Located on the pool side of the gate with the latch's release mechanism located at least five inches below the top of the gate and no opening greater than one-half inch with twenty-four inches of the release mechanism; or
 - Located at any height if secured by a padlock or similar device which requires a key, electric opening, or integral combination

Arizona Department of Health Services Pool Safety Recommendations

- Never leave a child unattended in the pool or pool area.
- Because flotation devices and swimming lessons are not substitutes for supervision, a child should always be watched when in or around the pool area.
- CPR/CCR instructions and the 911 emergency number (or local emergency number) should be posted in the pool area.
- A phone should be located in the pool area or easily accessible in case of an emergency.
- All residential pool owners should attend water rescue and CPR/CCR classes. Lifesaving equipment should be easily accessible and stored in the pool area.
- All gate locks and latches should be checked regularly to insure they are working properly.
- A gate should never be left propped open.
- All items that could be used to climb a pool barrier should be removed from around the barrier.
- In an emergency:
 - Shout for help;
 - Pull the child from the water;
 - Call 911 (or local emergency number) for help; and
 - After checking the child's airway and breathing, immediately begin CPR/CCR if necessary.

Note: The state requirements contained in A.R.S. § 36-1681 may be superseded by local requirements that are equal to or more restrictive than the state requirements. Check with your local city and county governments to see if they have adopted different pool barrier requirements.

* "Pool" means an in-ground or aboveground swimming pool or other contained body of water 18 or more inches in depth, wider than 8 feet at any point, and intended for swimming, pursuant to A.R.S. § 36-1681(A).

TENANT'S INSURANCE:

TENANT shall acquire and maintain for the TERM of the LEASE a standard tenant liability insurance policy with liability coverage of at a minimum of \$100,000 per occurrence for TENANT'S legal liability for damage to LANDLORD'S property for no less than the following causes of loss: fire, smoke, explosion, backup or overflow of sewer, drain or sump, and water damage and such other coverages described in any addendum attached hereto (the Liability Policy"). TENANT'S Liability Policy shall name LANDLORD as an additional interest. In the event that TENANT fails to obtain, maintain and deliver to LANDLORD such written proof of the Liability Policy, LANDLORD shall have the right, but not the obligation, and TENANT automatically elects for LANDLORD to procure such policy coverage on TENANT'S behalf through the Landlord Required Insurance Policy ("LRIP"). In this event the TENANT will be charged a Landlord Required Insurance Policy Fee of \$13.95 per month and this shall be deemed to be additional RENT under the Lease and immediately due and payable by TENANT to LANDLORD.

DAMAGE TO TENANT'S PROPERTY AND INSURANCE:

LANDLORD does not provide any insurance coverage for TENANT'S property. Unless caused by the willful or grossly negligent actions of LANDLORD, or LANDLORD'S agent's or employee's, neither LANDLORD nor LANDLORD'S agents and/or employees shall be responsible for any theft, damage, loss or destruction of personal property of TENANT or TENANT'S occupants, guests, licensees, invitees or agents due to fire, water, flooding, other casualty, act of God, or any other causes. TENANT IS ENCOURAGED TO INSURE PERSONAL PROPERTY IN AN AMOUNT SUFFICIENT TO COVER THE PROPERTY. National Student Services, Inc. (<https://www.nssl.com/portal/sternrisk>) offers coverage through its Personal Property Protection Program which is being referred to in this LEASE merely for the convenience of TENANT as an example of such a program. LANDLORD makes no representations or warranties whatsoever regarding National Student Services, Inc. or its Personal Property Protection Program and TENANT is encouraged to speak with a qualified insurance professional about available coverages. TENANT expressly and unequivocally agrees to be liable to LANDLORD and/or LANDLORD'S insurer for injury to any person and damage to the UNIT or the PROPERTY, including but not limited to fire and water damage, caused by TENANT or TENANT'S occupants, guests, licensees, invitees or agents. TENANT agrees to comply in all respects with any applicable policy of insurance so as to not cause an increase in premium or void any insurance policy.

10. TENANT VOLUNTARILY ASSUMES ALL OF THE FOREGOING RISKS AND ACCEPTS SOLE RESPONSIBILITY FOR ANY INJURY (INCLUDING, BUT NOT LIMITED TO THOSE RESULTING IN DISABILITY OR DEATH), ILLNESS, DAMAGE, LOSS, CLAIM, LIABILITY, OR EXPENSE OF ANY KIND THAT TENANT MAY INCUR FROM OR IN CONNECTION WITH TENANT'S USE OF THE TANNING FACILITY.

11. Avoid Indoor Tanning If:

12. You burn easily and don't usually tan in natural sunlight.

13. You get frequent cold sores. UV radiation can lead to common light-sensitive ailments.

14. You have medical conditions like lupus and vitiligo. UV radiation can worsen symptoms.

15. You are immune suppressed. UV radiation can be more hazardous.

16. You eat certain foods or use certain cosmetics or medications that can make your skin burn more easily. This reaction is called "photosensitivity". Ask the tanning facility operator or employee for a list of these items.

17. For persons who choose to expose themselves to UV radiation from indoor tanning devices:

18. Always wear FDA-certified protective eyewear. If you don't have your own FDA-certified protective eyewear, request it from the tanning facility operator or employee.

19. Learn your skin type and understand the exposure limits recommended by the manufacturer of the tanning device.

20. Report any injuries or adverse reactions promptly to the tanning facility operator or employee.

21. Seek medical attention for severe burns, allergic reactions and unusual skin lesions or sores.

22. WAIVER AND INDEMNIFICATION. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, TENANT, ON BEHALF OF TENANT AND TENANT'S HEIRS, SUCCESSORS, EXECUTORS, SUBROGATES AND ASSIGNS, HEREBY EXPRESSLY WAIVES, RELEASES AND DISCHARGES, AND AGREES TO INDEMNIFY, DEFEND, AND HOLD HARMLESS Landlord, Landlord's property manager, Landlord's and Landlord's property manager's respective staff, employees, contractors, directors, officers, members, managers, agents or representatives (each a "**Landlord Party**" and collectively, the "**Landlord Parties**") FROM AND AGAINST, ANY AND ALL CLAIMS, COSTS, EXPENSES, DAMAGES, LAWSUITS, JUDGMENTS, LOSSES OR LIABILITIES (INCLUDING REASONABLE ATTORNEYS' FEES AND COSTS) (COLLECTIVELY, "**CLAIMS**"), WHETHER NOW EXISTING OR HEREAFTER ARISING, FOR OR RELATING TO PERSONAL INJURY, ILLNESS, PERMANENT DISABILITY, DEATH, LOSS OF USE, PROPERTY DAMAGE, MONETARY LOSS OR OTHERWISE, TO THE EXTENT ARISING FROM TENANT'S USE OF THE TANNING FACILITY, INCLUDING, BUT NOT LIMITED TO, CLAIMS ARISING FROM THE NEGLIGENCE OF ANY LANDLORD PARTY, WHETHER SOLE, PARTIAL, OR CONCURRENT, BUT EXCLUDING ANY SUCH CLAIMS THAT ARISE FROM THE WILLFUL OR INTENTIONAL MISCONDUCT OF ANY LANDLORD PARTIES.

23. Consideration. Tenant acknowledges that it has received good and valuable consideration for entering into this Addendum. Nothing in this Addendum shall limit the right or obligation of Landlord under the Lease or otherwise, and Landlord shall have the right in its sole discretion, to limit or restrict access to certain portions of the Property, including the tanning facility, for public safety and health reasons.

24. Addendum and Lease; Partial Invalidation; Applicable Law. The Lease (and all other Addenda attached thereto) and this Addendum shall together constitute one and the same instrument. In the event of any conflict between the terms and provisions of this Addendum and the terms and provisions of the Lease or any other Addenda attached thereto, the terms and provisions of this Addendum shall supersede and control. If any provision hereof is found to be unenforceable, the remainder of this Addendum shall be enforced to the fullest extent permitted by applicable law. This Addendum shall be governed by and construed in accordance with the laws of the state in which the Property is located.

25. Counterparts. This Addendum may be executed in multiple counterparts, each of which when executed will be an original and shall be binding upon the party whose signature appears thereon, and all of which when taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Addendum by fax transmission or electronic mail (e.g., PDF) shall be as effective as delivery of an original executed counterpart.
